AXALTA COATING SYSTEMS

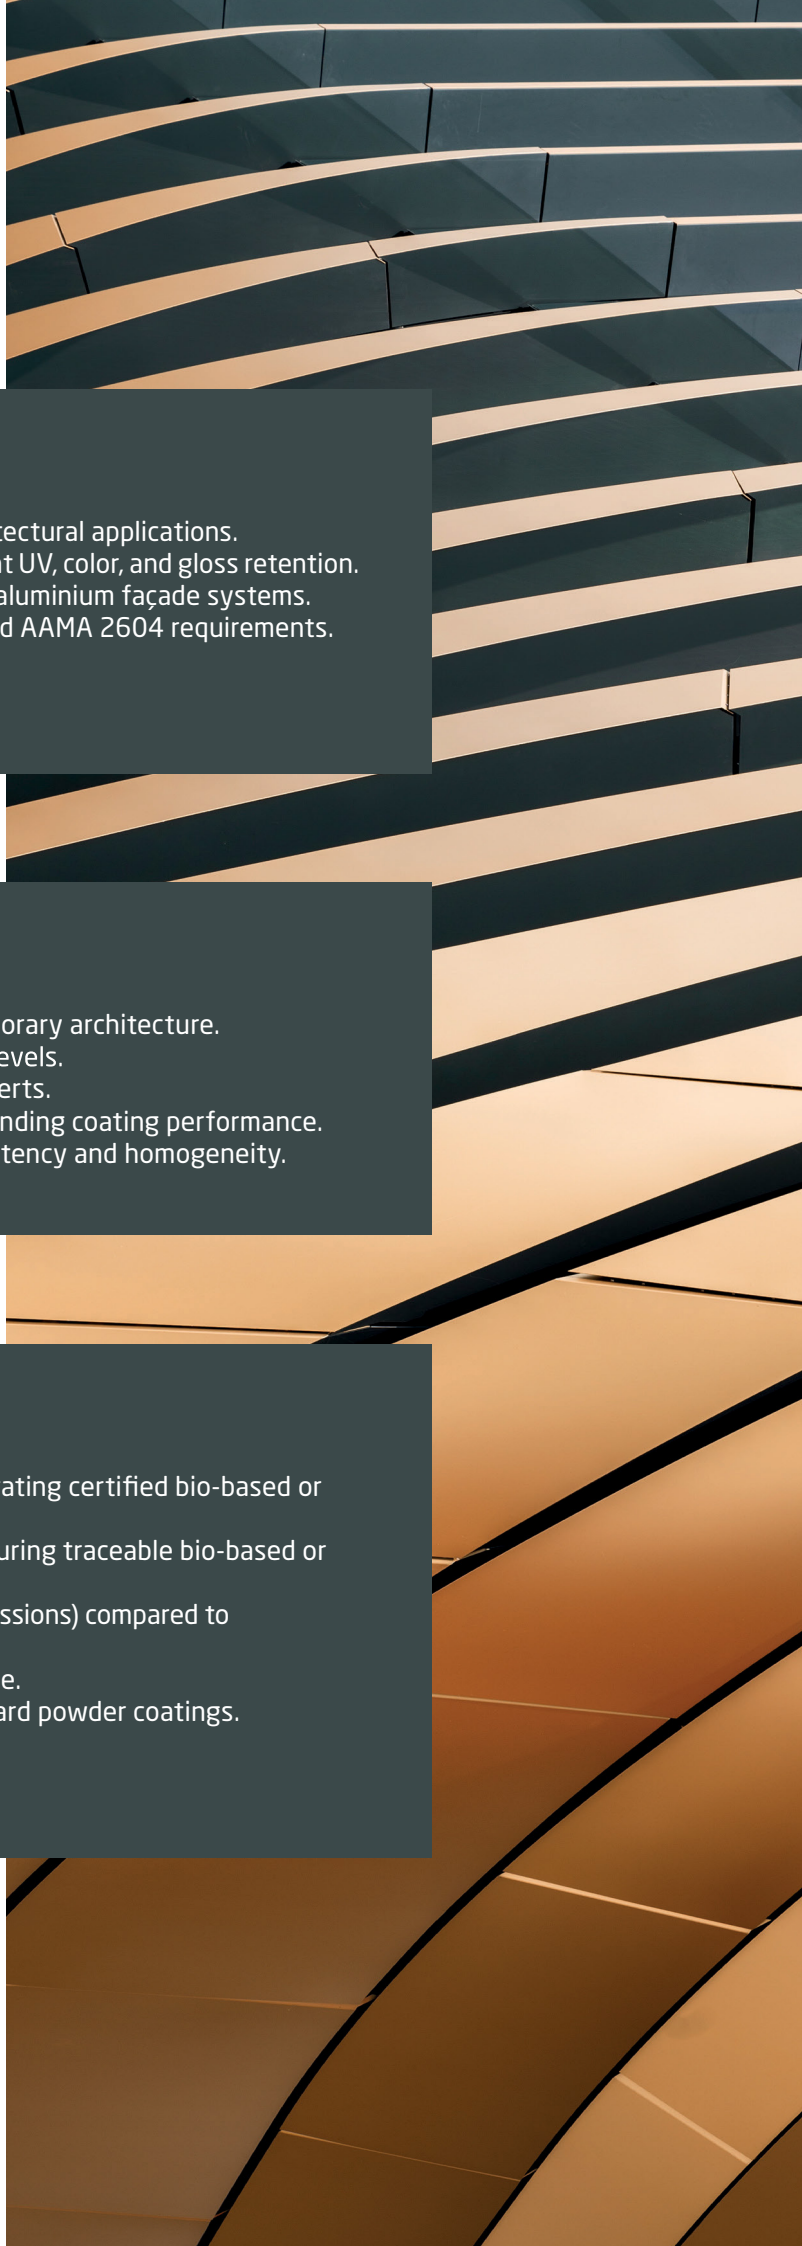

The ICONICA Alesta® SD Collection

Powered by **BioCore™**

OUR MOST
BEAUTIFUL FINISHES,
DESIGNED FOR **URBAN ICONS**

ARCHITECTURAL PERFORMANCE

- SuperDurable powder coating for long-term architectural applications.
- Designed for high-exposure façades with excellent UV, color, and gloss retention.
- Proven durability on windows, curtain walls, and aluminium façade systems.
- Meet Qualicoat Class 2, GSB Florida 3 (Master), and AAMA 2604 requirements.
- Supported by Axalta architectural warranties.
- Excellent scratch and mark resistance.

EXQUISITE FINISHES

- A premium collection created to elevate contemporary architecture.
- An extensive range of colors, effects, and gloss levels.
- On-trend collections validated by our market experts.
- Engineered to stand the test of time with outstanding coating performance.
- Bonded metallic shades for excellent color consistency and homogeneity.

BIOCORE SUSTAINABILITY

- Powered by Alesta® BioCore™ technology, integrating certified bio-based or bio-circular raw materials.
- ISCC PLUS* certified mass balance approach, ensuring traceable bio-based or bio-circular raw materials.
- Reduced embodied carbon (Scope 3 upstream emissions) compared to conventional powder coatings.
- Environmental Product Declaration (EPD) available.
- Same color, performance, and durability to standard powder coatings.
